Call for Papers:

By submitting the papers to the Conference the authors confirm that the paper is an original work of the authors and neither has been published previously nor is under consideration for publication elsewhere.

Papers have to be written in English. Prior to submission to the Conference Scientific Committee, papers have to be checked for correct language. Manuscripts showing serious shortcomings in layout/formatting or language use will not be accepted for publication.

Submitted papers will be reviewed by two reviewers. All participants have to provide one review from their own country (preferably reviewer has to represent different institution as authors) along with the paper both. The other reviewer will be provided by the Conference Editorial Board (blind review). After the reviewing procedure and consideration of remarks the article may be returned to the author for revision. Accepted papers will be published in the proceedings of the conference (ISSN 1691-30XX) and indexed in ISI Web of Science with CCPCI, AGRIS, CAB Abstracts and EBSCOhost Academic Search Complete databases.

Authors shall email the complete paper (up to 8 pages), signed and scanned guarantee form to esafconference@llu.lv.
